### **Boil Water Rescind Notice**

On March 4, 2014, the Texas Commission on Environmental Quality (TCEQ) required The City of Justin, PWS 0610003 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of March 5, 2014.

If you have questions, contact City of Justin at 940-648-2541.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
